Pre-Conference Workshops:

Conference participants are invited to attend both pre-conference workshops. Space is limited!

Option One:

Date: October 20, 2017; 9:00 a.m. – 12 noon

Session: Opportunity Management, presented by The Department of Tourism, Culture, Industry and Innovation's Natalie Falk, Provincial Economic Planning Analyst

Price: FREE for members and non-members.

The MANL Board invites all members to join them in a brainstorming session to determine future directions of the organization. This is the first step in a process called Opportunity Management (OM) which is a collaborative approach to community economic development and business development. Facilitators will lead the Board through this process, which will recognize and identify opportunities for MANL. We are eager to hear your thoughts on how the organization can meet the needs of its members. This information will be invaluable to the Board as it plans for the future. Through this session you will also learn how the OM process works, and gain an understanding of how it may apply to your organization. Please join us!

Option Two:

Date: October 20, 2017; 1:00 p.m. – 4:30 p.m.

Session: Recruiting Volunteers, presented by Bettina Ford of the Community Sector Council NL

Price: \$65.00 for members and \$90.00 for non-members.

This hands-on workshop will provide a comprehensive approach to recruiting volunteers for your organization, including an exploration of what motivates people to volunteer and factors that affect recruitment, such as your organizations' public image. Cost-effective techniques for reaching potential volunteers, as well as target audience identification and promotion strategies will also be investigated. During this session, all participants will develop a volunteer position description for their organization.
